Three Simple Steps to PR-4 Impairment Reports

## **Step 1. Enter Patient Demographics**

1. Staff enters patient demographics into the Injury Launch page  
**<https://rate-fast.com/injury/esisrf>**  
**- Select: I am an Insurance Carrier. Fill out the demographics.**
2. Staff clicks SUBMIT

## **Step 2. Securely Fax Documents to RateFast Express to HIPPA**

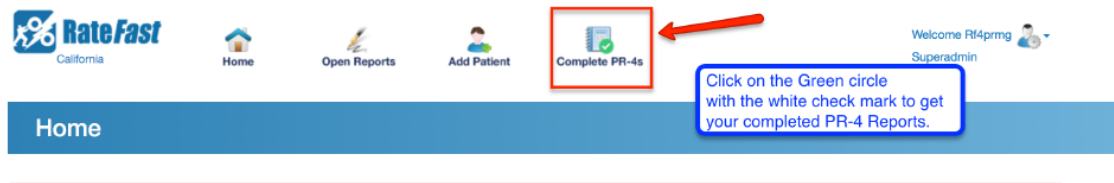

**Compliant Fax Line: (707) 921-7924**

1. Doctor First Report
2. The Last PR-2 where doctor indicates patient is at MMI
3. Imaging reports
4. Operative reports
5. Current PR4 if present

**Step 3. Your PR-4 report is being completed. This process will take 3 to 5 days.**

## Step 4. Get The Completed PR-4 Report

1. Receive email notice that the PR-4 report's impairment rating is complete
2. Log into Rate-Fast.com
3. Get and open your PR-4 Report

4. Download then print the report
  - a. Click on View and your report will launch.

- b. Click on Save as a Word Doc to your Desk Top
