Four Simple Steps to PR-4 Impairment Reports for Medical Clinics

Step 1. MMI PR-2 document desired documentation:

1. History
 - a. Pain value 0-10/10
 - b. Pain frequency: occasional (25%), intermittent (50%), frequent (75%), constant (100%)
 - c. List medications used
 - d. Pain/Symptom limited activities at home (eg. Self-care, standing, walking, sitting, lifting, driving, sleeping)
2. Exam
 - a. Palpation tenderness
 - b. Range of motion
 - c. Motor
 - d. Sensory testing
 - e. Reflexes
3. Work status

Step 2. Enter Patient Demographics

1. Staff enters patient demographics into the Injury Launch page for the medical practice. Each medical practice has its own unique link. For example: **<https://rate-fast.com/injury/rf123>**
2. Staff clicks SUBMIT

Step 3. Securely Fax Documents to RateFast's HIPPA Compliant Fax Line: (707) 921-7924

1. Doctor's First Report
2. MMI PR-2
3. Imaging reports
4. Operative reports

Step 4. Get The Completed PR-4 Report

1. Receive email notice that the PR-4 report's impairment rating is complete
2. Log into Rate-Fast.com
3. Download the report
